I Padrini 2 pc game Italy serial I Padrini 2 pc game Italy serial download Il padrino 2 ita pc italiani I Padrini 2 pc game italiani Il padrino 2 ita is first 3D Italian computer game was released in 1983 by Brut S.r.l., a local publisher in Macerata, Italy. The game was developed by the Sandie Software department of M.O.T.O.E. in collaboration with GIPI, which designed several graphic effects and animations. According to some sources, it was designed by journalist Cesare Bonoldi as a sequel to Il Padrino. The game features several plot points similar to the first Padrino, such as an Italian mafia group, and characters such as Tommaso Bruciato. From the data sheet: "IL PADRINI 2 è uno dei lavori più ambiti e complessi in programma. Il brano vuole sfiorare l'originale in quanto – considerato il grande successo del primo – è una copia di un capolavoro già più di un mezzo secolo fa. Il titolo vuole quindi riconoscere i grandi contenuti del primo è un qualcosa di nuovo e di inedito, ma è anche un tentativo di rispondere ai nuovi requisiti del generazione digitale." The game was released in 1984 for PC and Commodore 64 in Europe, and in 1985 in the US by Electronic Arts. Il padrino 2 ita This game was designed by Tommaso Bonoldi, editor of the Italian magazine Sud, in collaboration with the magazine's graphics department, led by Lorenzo Pecoraro. The project was supported by the Italian Association of Culture. In the early 1980s, Bonoldi worked on some advertising campaigns for various media, including computer games. The game received good reviews from the popular Italian press at the time. Instead of using the original graphics and setting of the Il Padrino, the main character and his friends were designed by Bonoldi. The atmosphere and mood are very similar to that of the first Italian computer game, as the protagonists are besieged by an unprecedented number of protagonists, who invade
