Asus mobo driver for linux Asus mobo driver for x64 Asus mobo driver for i686 Asus mobo driver for powerpc Asus mobo driver for spare It shows up fine when run under win 98, xp and vista - but not in win 7. The main problem is that I can't seem to find a free driver for it. If anyone has any ideas, I would appreciate it. Thank you in advance - Noreply-Asrock(Posted on 8/21/2006 at 7:16 PM) 1 replies Intel HD Graphics Video Driver(x64) WINSPIX4 The motherboard includes both a 32-bit and a 64-bit version of the Intel ICH10 (Intuitive Communication Hub).
