But I have a problem with the power light not going off or staying off for a few seconds then coming on (screen not.Q: How to make a vertical navigation bar with buttons on the left and right? I want to make a vertical navigation bar with buttons on the left and right of it (using Bootstrap 2). See here for example. But for the left side of the navigation bar, I don't want the actual text to appear, just the button. See below for an example (using Bootstrap): Is this possible with Bootstrap? A: You can use just the.navbar-nav class with CSS to hide the navbar text Demo HTML Toggle navigation Brand Link 2d92ce491b
