PRECIOUS SOSUKE: HAPPY 50TH BIRTHDAY!!! on Precious's 50th birthday, there was a lot of shill bollocks about her becoming a woman but it actually made a lot of sense in terms of the way the character is written in the show. This was something that wasn't a big part of her character and I actually think it just made it a lot more interesting to see what would happen. She did at the time not feel like a woman but obviously as it progressed she was starting to change and that's what I think this episode was really about. As this came towards the end of the show there wasn't really much time to explain a lot of the details but I think this was a really good way to do it. It was also cool to see the cast of the show as a whole including Kaito. Man, that's like 3 years ago! That's pretty cool. man2man Coat Precious Sosuke 2 .
