backgrounds

Q: How to enable
session management option in
Joomla 2.5 I used to see the
session management option in the
configuration panel as I used to
enable "register session path" in
Joomla 2.4, but I did not find it in
Joomla 2.5. Can anyone help me

to find it? A: To show session management on admin login, go to global configuration settings => Login item settings. In there make sure that 09e8f5149f
